ABOUT Us

METRO TEXTILE

Metro Textile has been in textile manufacturing since 1972 and started with greige fabric manufacturing today we offer a wide range of different textile and non textile products in US industry. Our Dallas, TX office is centrally located to provide best quality service to all our clients in North & South America.

Having our own manufacturing facility overseas does give us an advantage over a lot of our competitors who are dependent on outside resources. we also offer custom programming on most our products.

Metro textile is a family owned business and takes pride in its people and helping them grow, which is a secret of our continued growth. We still have members in our team since 1972 along with their 3rd generation working with honesty, Integrity and Strong Faith, day and night to make sure we deliver what we promise.

Our Goal is to make sure you are satisfied in ways. To bring you quality products with excellent service at the lowest possible price is our number one priority. Every order, small or large, is taken care with attention to all required details from the moment it comes in, till it is delivered to the destination.

Apart from domestic stocks being offered in the US, we also offer Overseas Custom Program with as quick as 4 weeks turn around. our customer service and sales teams are waiting to help you with your next order.
